Please explain the need for this project as well as a clear overview of the concept of the project. Narrative must provide enough details that those reviewing the application can comprehend or visualize the full scope of the project. Narrative should be a full overview, yet explicit and to the point.

Missouri River Country requests \$1375 from our Consumer Exhibiting, Trade Show funds (\$10,000) to reserve a booth space for the KX Sports Show, Minot, ND, as well as pay for expenses such as transportation, motel, freight and meals and any misc. items associated with board members exhibiting there.

The board discussed doing a trade show in Minot to attract closer visitors with the unstable gas prices and also Minot attracts Canadians. Therefore we would also connect with Canadians at this Minot Trade Show. We feel that by showing them what we have to offer, we won't be just a drive through region for those traveling to the Parks.
